

Operations

Our Logistic and Operations Team are based in Greater Glasgow and operate throughout the UK. We maintain and constantly update our own nationwide database of professional drivers being recruited daily, supplying national bus companies with top quality PCV and LGV Drivers for bus, coach and service work. All our drivers are DVLA checked. UK Bus, Coach, Car, Van and Truck Movements.

We also aim to ensure that both single and multi bus, Coach, Car, Van and Truck movements are carried out in a timely and effective way working closely with your required scheduling.

Our dedicated logistics manager will monitor your bus, Coach, Car, Van and Truck movements and be available to you on a 24 hr contact number with the ability to update you on progress or any possible problems.

Colin and his team will liaise closely with you and they are always available to discuss your requirements and service levels preferably at the earliest opportunity. As and when necessary refocusing our recruitment activity, in order to maximise the potential for timely resourcing and a perfect skills match.

Our role is necessarily integrated with your own HR departmental best practice, processes and procedures, including a commitment to equal opportunities, but our approach is always intended to relieve recruitment workload pressures from your operational managers and apply our specialist expertise to solve your staffing needs.

Colin and his team will work hard delivering a responsive service, available throughout an extended working day and on a designated 24hr number issued to clients only.

We supply top quality PCV (Cat D, DE, D1 & D1E) bus and coach drivers on both long and short term contracts for national bus companies for coach and stage carriage work and all UK airports, park and ride services.

We supply top quality LGV (Cat C, CE, C1 & C1E) truck and lorry drivers on both long and short term contracts for national companies for logistics and carriage work and all UK airports. All our Drivers have Drivers CPC.
